- Easements/Landowners Thank you Gifts- Discussion was had regarding having the Thank you gifts for landowners all being the same. Currently half of the landowners are receiving Hams for the use of their land. The other half are receiving gift certificates to restaurants on the trail. When the gift certificates are sent out the landowner permission slip is mailed out with it. One mailing covering 2 topics. The easements are then mailed back with any updates needed. It is a "contactless" way of getting the information needed from the landowners. The motion was made to do "All" the landowner easements and thank you's the same way. After much discussion a motion was made and seconded to tabling the discussion and vote until the February Meeting. It was asked to think about this topic and bring your thoughts and ideas to the next meeting.
