- Keep track of hours and turn in your sheets to Nick Lanser

Equipment Report

Tractor Option Updates

Nick Lanser presented the information/ cost from dealers, Service Motors, Swiderski Power, Krone America, regarding the purchase/ ‘lease to own” of a tractor for next year.

Also, the option from Riestler & Schnell, to lease from October to April like we have currently been doing with Service Motors. (Service Motors is no longer doing this program)

The option to buy a used tractor is not of the running either.

A discussion amongst members present was had about purchasing/ lease to own vs yearly leasing. A vote was taken as to the best viable option and it was unanimous amongst members at the meeting to stay with a current lease program. The Board will meet to make a final decision on this within the next 2 weeks.
